Text Correction

There was an error in the original publication [1]. During the publication process, the following parts of the back matter—Institutional Review Board Statement, Informed Consent Statement, and Data Availability Statement—were omitted from the final version of the manuscript.

A correction has been made to the back matter for the following subsection: *Institutional Review Board Statement, Informed Consent Statement, and Data Availability Statement*, on page 15. Please find below the inserted correct paragraphs:

Institutional Review Board Statement: The study design and protocol followed the guidelines of the Declaration of Helsinki and were approved by the University of Lancashire Ethics Committee (approval number BAHSS2 0424, date of approval: 15 November 2023).

Informed Consent Statement: Informed consent was obtained from all subjects involved in the study.

Data Availability Statement: The data presented in this study are available upon request from the corresponding author. The data are not publicly available due to the age of the participants.

The authors state that the scientific conclusions are unaffected. This correction was approved by the Academic Editor. The original publication has also been updated.
